NOTE: THIS CAMP IS NOT A FUNCTION OF TRINITY INTERNATIONAL UNIVERSITY.

Note: We are expecting a full camp and enrollment is limited. Please pay the full tuition with this application or any balance due (less your deposit) by April 1, 2017. Any camper application after April 1 must include full tuition payment. Even with advance notice, \$100 of full tuition or deposit is nonrefundable due to pre-camp reservation/administration costs. If your session is closed when your application is received, we will call to discuss your options, including being added to a waiting list. If you cancel on or after the first day of camp, a fair refund will be returned, less the \$100 administrative charge and any other costs incurred.
